

## BoaVida's Eli Weiner Featured on Podcast

In March, BoaVida founder, Eli Weiner, was featured on the [Wealth Preservation Podcast](#) to talk about entrepreneurship, real estate investing and the grind of starting a business. Hosts Josh Saunders and Mark Seither gained insight into how Weiner grew The BoaVida Group into the niche space of investing, owning and running successful mobile home and RV parks.

Saunders and Seither covered topics such as Eli's origin story and how being an entrepreneur at a young age shaped him, as well as talking about having a MAMBA mentality and about his time as the night manager at Denny's.
